Learning Chinese :

零到一學中文

Start From Scratch

Level

A1

Beginner

Commitment : 6 weeks for study, 1-2 hours / week.

About this Course

This is a six-week introductory course in Mandarin Chinese conversation. The course will be taught completely in Mandarin, however students are not expected to have any experience learning Chinese.

This course's main objective is to study practical conversation. By watching videos showing various kinds of situations, learners will recognize and understand vocabulary, pair everyday words together with grammar to form short phrases, and learn the correct way to express words used in day-to-day life.
